## Era uma vez uma turnê

Author & Illustrator J.N. PAQUET has created 8 stories from 8 drawings children have made during his UK Book Tour 2012. 8 illustrations from children who met the author of “The Book of The Animals” series for the first time in their school, club, library and local bookshop. This book is very special with 8 short stories children aged 3-6 will definitely enjoy with their parents. A very special thanks to Abelinha Amarelinha, Chicken & Frog Bookshop, Clube dos Brasileirinhos, Les Petites Etoiles, Amarelinha and Meu Pequeno Jesus. Discover the other children's books by J.N.
