

The background of the entire page is a photograph of a sunset. The sun is low on the horizon, creating a bright orange and yellow glow that reflects on the water. The sky is filled with soft, orange-tinted clouds. In the distance, a dark, silhouetted shoreline with trees is visible across the water.

Frog Head Key (A Withrow Key Thriller Short Story Livro 4)

Bootleggers destroy a boat near Withrow Key, killing the passengers. When two young men from Jackson Pauley's dive shop visit the mangrove covered island to investigate, one of them is killed and the other is put in the hospital. More than illegal whiskey, the bootleggers might just be up to something more sinister. When Jackson Pauley learns what happened, he is determined to keep them from hurting anyone else and putting a stop to their operation. This is the fourth Withrow Key adventure short story. Set on a bypassed key in the Florida Keys, life moves a little slower and a little weirder. Each story in the Withrow Key adventure short story series features scuba diving, adventure, boats, the ocean and mystery along with beautiful locations and scenery. Jackson Pauley and Randy Littlebear work to bring the men to justice who killed a promising young man and keep them from hurting anyone else.
