

NOVAS TEORIAS SOBRE A PSICOLOGIA DO HOMEM

The background of the cover is a dark, textured grey. Overlaid on this is a faint, light grey silhouette of a human head in profile, facing right. A network of thin, red, hand-drawn lines crisscrosses the face and extends into the surrounding space, resembling a neural network or a complex web. In the bottom right corner, there is a small, stylized signature in red ink.
